Ben, the two of us need look no more
 We both found what we were looking for
 With a friend to call my own
 I'll never be alone
 And you, my friend, will see
 You've got a friend in me
 (you've got a friend in me)

Ben, you're always running here and there
 You feel you're not wanted anywhere
 If you ever look behind
 And don't like what you find
 There's one thing you should know
 You've got a place to go
 (you've got a place to go)

I used to say "I" and "me"
 Now it's "us", now it's "we"
 I used to say "I" and "me"
 Now it's "us", now it's "we"
 Ben, most people would turn you away
 I don't listen to a word they say
 They don't see you as I do
 I wish they would try to
 I'm sure they'd think again
 If they had a friend like Ben
 (a friend) Like Ben
 (like Ben) Like Ben
